

AVAILABILITY OF CAMPSITE

Most schools arrive on a Friday afternoon, camp overnight, and pack up to return home mid-morning on Saturday.

The camping experience suits children who are having their first time sleeping in tents as a class.

The train service behind the school also allows for easy access into the Adelaide CBD to visit the Museum, Art Gallery and Zoo. In the other direction, Port Adelaide offers the Maritime Museum, Railway Museum and the Port experiences.

For more details, visit Kilkenny Primary School's website at www.kilkennyc7.sa.edu.au

CAMPING IN THE CITY

KILKENNY PRIMARY SCHOOL

10 minutes from Adelaide CBD

Secure, safe environment

Affordable camping experience

Large commercial kitchen

Tenting for up to 60 students

CONTEXT STATEMENT

Kilkenny Primary School is centrally located on Port Road at West Croydon. The main train line connecting the City and Port Adelaide is walking distance behind the school. Secure fencing is locked at night, making the students safe.

Scrublands were established many years ago with mature native trees and shrubs. A teaching platform, small pond and fire pit are well located in the scrub. Plans for an Aboriginal Food Tucker trail and Kurna learning environment are also well under way.

The school has a Stephanie Alexander Garden with fruit orchard, garden and chooks, 2 ovals and numerous play areas.

A commercial kitchen with 5 individual kitchen bays allows students to enjoy cooking on camp. An outside pizza oven, BBQ and fire pit for damper are also available if desired.

COOKING EXPERIENCES

Students can be involved in the food part of their camping in a number of different ways.

- Each school can self-cater, using the kitchen, pizza oven and BBQ's.
- Our local High School offers catering for camps, at a reasonable fee, if required (see attached menu).
- Make damper or roast marshmallows in the fire pit in the scrub.

ACTIVITIES

There are many group / team building resourced activities available for use in the gym or ovals and scrub area.

TENTING

There are 20 three person tents, which students from 7 years of age can erect with assistance. Blow up mattresses are available for each child to sleep on in their tent.

The gym is also available for sleeping, sport activities, films and inside games.

THE SCRUB

Students can explore the scrub, make huts from wood and bamboo, learn orienteering skills and look for tadpoles.
