## International Education Program

Government of South Australia  
Department for Education

At Kilkenny Primary School our purpose is to engage every student with their learning so they can achieve at the highest possible level of learning and wellbeing, through quality care and teaching.

At KPS our vision is to provide a safe and meaningful learning environment. With our expert teachers and small class sizes students are given every opportunity to develop and achieve their full potential while study at KPS.

## STUDENT WELLBEING

We are lucky enough to have Hayley our Pastoral Care Worker who is available for students to talk to on a Monday, Wednesday and Friday.

Brenton Willson is our Wellbeing Leader and is available everyday. Brenton works very closely with students from across the school and has a big focus on Student Voice.

Hayley runs our breakfast club every Friday for all students to access.

## Social Learning Program

The Principal works in collaboration with staff in delivering our Caring Agreements.

We also teach the values of- Respect, Responsibility, Honesty & Achievement.

The School Code of Conduct protects the rights of teachers and students to work and learn in a safe environment and is embedded within the social learning program. The program helps children to accept responsibility for inappropriate behaviour. The policy caters for both class and yard behaviour as well as the school's Social Learning Program across the whole school.

The program is about changing thinking through teaching and promoting Positive habits of the mind.

Caring Agreements are:

## INTERNATIONAL STUDENTS

While an International Student is enrolled at Kilkenny, they will receive support and be monitored by their classroom teacher.

The school's ISP manager will oversee the transition and ensure that all International Students are monitored, and their progress assessed, with information being shared with parents/guardians of the student.

Each classroom teacher is required to monitor student's wellbeing, academic progress, attendance, behaviour and critical incidents.

If you have any questions, please contact Fiona Lyons on 8345 4138.
